

SECTION III – DIVISION 3

| <u>Subject</u> | <u>Interpretation</u> | <u>File No.</u> |
|----------------------|-----------------------|-----------------|
| WB/WC-2431.1(b)..... | .III-3-13-02 | 13-773 |

Interpretation: III-3-13-02

Subject: WB/WC-2431.1(b)

Date Issued: July 9, 2013

File: 13-773

Question: Does the requirement that base material conform with the requirements of QW-403.1 of Section IX or QW-403.4 of Section IX, as required by NB/NC/ND/NE/NF/NG-2431.1(b), CC-2612.1.1(b), and WB/WC-2431.1(b), apply only to electroslag filler metals?

Reply: Yes.

NOTE: This interpretation also appears in Section III, Subsection NCA as III-1-13-28 and III-2-13-04.
