

ASME PTC 19.1 COMMITTEE

TEST UNCERTAINTY

JOIN US!

The Committee welcomes the application of qualified individuals to serve as Members of the Committee.

Keep in mind that participation as Member of the Committee may involve travel to meetings and other expenses. Such expenses are the sole responsibility of the participant. In addition, Members participate as individual experts and not as representatives of their employers. It is expected that a Member will represent the general nature of his or her type of professional affiliation (i.e., manufacturer, user, etc).

If you have questions and/or wish to apply for Membership on the Committee, please contact the Secretary, George Osolsobe at osolsobeg@asme.org

Thank you for your interest in ASME Codes & Standards.
