PROPOSAL: Have the Section V Editors insert the note shown in red text below onto the cover page of each current document in Section V Subsection B and onto all future document updates and additions.

(Note, SE-94 was selected as a presentation example. It is intended that the same note be applied to all Subsection B documents.)

This document, in whole or in part, is mandatory only to the extent specified in the referencing Article(s) of Subsection A, or as indicated in other Code Sections or referencing documents.
