**Document Legend:**

- **Blue:** These are drafts of new documents
- **Orange:** A standards action is in progress (Reaffirmation, Revision, or Withdrawal)
- **Red:** Action is required for these documents
- **Grey:** These have been superseded by another document, dropped, or withdrawn

- a standard listed with a date indicates the year it was last published
- a standard listed with a date followed by (R20xx) indicates the year it was reaffirmed
- a standard listed with no date indicated its a draft
- PINS is a form “Project Initiation Notification System” which is sent into ANSI at the initiation of a new standard or revision of a standards that is on Periodic Maintenance
- BSR-8 is a form which is sent into ANSI to place a standard out for ANSI Public Review
- BSR-9 is a form which is sent into ANSI for review and their final approval as an American National Standard
- A ballot number like 20-xxx means the ballot was issued in 2020 and is a first consideration ballot
- RC1 after a ballot number (e.g., 20-xxxRC1) means a recirculation ballot
- RC100 after a ballot number means a second recirculation ballot
- RC101 after a ballot number means a third recirculation ballot
