

# Record # 10-220 Revision 5/7/19

ASME Section III, NCA-3862.2, 2017 and 2019 Edition

## **NCA-3862.2 Quality System Program Statement.**

~~(a) When the Material Organization holds a Quality System Certificate, the Material Organization's Quality System Certificate number and expiration date shall be shown on the Certified Material Test Report or Certificate of Compliance, as applicable, or on a certification included with the documentation that accompanies the material.~~

(b) When the Material Organization has been qualified by a party other than the Society, the revision and date of the applicable written Quality System Program shall

be shown on the Certified Material Test Report or Certificate of Compliance, as applicable, or on a certification included with the documentation that accompanies the material.

(c) The inclusion of the Quality System Certificate number and expiration date or reference to revision and date of the applicable written Quality System Program shall be considered the Material Organization's certification that all activities have been performed in accordance with the applicable requirements of this subarticle.

When an organization is a Quality System Certificate Holder or is a Certificate Holder, the
